The focus of the wine list is the same today as when we first opened our doors at our first location on Richmond Avenue back in 2006....to feature small-batch, family-owned wineries and boutique offerings and to showcase them in an approachable wine list. The producers featured in this list follow thoughtful practices such as organic, biodynamic and sustainable farming. Visits to the vineyards with the winemakers help to gain first-hand knowledge of the wines and to build relationships which allow for us to feature exclusive placements. We value the labor that goes into every step of winemaking and do our best to share that passion with our guests. —Farrah Cauley, Owner/Sommelier
