Sonoma Wine Bar – More than just California. Our focus has always primarily been on the smaller boutique wineries while still showcasing some classics curating a list that’s comfortable, not intimidating, making it easy to find something new and interesting. The relationships built along the many years of business helped to secure exclusivities, allocations and best industry pricing. Walking the vineyards with winemakers and producers gives appreciation for the hard work that goes into making the wine. Sonoma has helped start the careers of many top Houston wine professionals, for some, even sponsoring many first-time wine country trips.

Most of the wines featured in this list are farmed sustainably, organically and naturally. Like our food, we put the very best product forward not minding of trends and what’s cool.
