Sonoma Wine Bar – More than just California. Our focus has always been on smaller boutique wineries while still showcasing some classics curating an approachable wine list that’s comfortable and easy to find something new and interesting. The relationships built along the many years of business has helped to secure exclusivities, allocations on limited productions and best industry pricing. Walking the vineyards with winemakers and producers gives appreciation for the hard work that goes into making the wine. Sonoma has helped start the careers of many top Houston wine professionals, for some, even sponsoring many first-time wine country trips. Most of the wines featured in this list are farmed sustainably, organically and biodynamically. Like our food, we put the very best product forward not minding of trends and what’s cool, only what’s delicious. Sonoma proudly donates 6 percent of net profits to local organizations and community fundraisers. -Farrah Cauley, Owner/Sommelier
